

## MAKE THE MOST OF YOUR VISIT TO BEAVER NATION

You're on your way! We want every student to learn more about the opportunities and experiences OSU has to offer. There are a few ways you can work with us to help us make your visit great:

- To make sure all students have the best experience, we ask you to be respectful to your TOUR Ambassador, as well as; the presenters, the institution, our campus, and our community. At any one point, your TOUR Ambassador has the right to end a tour due to inappropriate behavior.
- During your tour and/or presentation, please have all electronic devices away to better your engagement in learning more about Beaver Nation. Please feel free to take appropriate pictures of our campus during your visit and note the things you find interesting on your tour. And after, you are invited to share your photos on social media with #TourBeaverNation!
- The best way for you to gain as much knowledge as possible from OSU is to come prepared with questions to ask current Oregon State students. Think of things you're interested in learning more about; whether that is about clubs & organizations on campus (there are over 400), areas to study (we have over 200), study abroad programs (over 200 programs), or what it feels like to live on campus your first year here.

Write down a few questions you have and bring this with you:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

On behalf of Oregon State University's Welcome Center, we look forward to helping make the most of your college search journey!
